

Uniform Policy

Players are to provide their own glove & batting helmet, jock or jil strap (depending on gender). As well, infielders will be required to provide their own infield mask.

Players will also need to purchase uniform pants, socks & matching belt – managers will advise on colour and where to pick these up.

The Team will supply hats, jerseys, bats and balls. Many players prefer to purchase their own bat, but that is optional. (Coaches can recommend the proper bat to be purchased, ie. proper weight & length)

For softball divisions U10 and up, in the event that the jersey is not returned in good condition at the end of the baseball season, the registrant agrees to allow Beaumont Blitz Fastball Association to charge the credit card used for registration purposes \$50.
